BURNDEN PARK UNDERSOIL HEATING SYSTEM

This is why tonight's game is being staged under perfect playing conditions.

Six years ago your Board of Directors were far seeing enough to install a system of Undersoil Heating which has ensured that all First Team games have been played at Burnden Park on the scheduled date.

SPECIFICATIONS FOR THE TECHNICALLY MINDED:

Automatic "Meltaway" Underground Soil Warming System for the Main Pitch at Bolton Wanderers Football Club.

The System is designed to use a single 4.5 million B.t.u. Oil-Fired Triton 3 T40 Boiler coupled to Shunt and Circulating Pumps. From the Circulating Pump, Flow and Return Header Mains in 160 and 110 mm Polyethylene Pipe laid to and along one end of the Pitch. From the Header Main loops of 25 mm x 2.3 mm Cross Link Polyethylene Pipe laid, at 300 mm centres to a depth of 225 mm down the length of the Pitch, comprising some 27000 mm of pipework.

The system is controlled by a Fully Automatic Environmental Controller. The Controller has in ground sensors, air sensors and water temperature sensors. The Controller is coupled to the Circulating Pump and Motorised Mixing Valve.

The boiler is designed to operate between 60-80°C.

ENVIRONMENTAL CONTROL SYSTEM OPERATION:

Ground Sensors situated 2-3 inches below the Pitch surface starts the Systems Main Circulation Pump when the ground soil temperature falls below +5°C. The Circulation Pump continues to run until the ground soil temperature has been increased to +6°C.

Water temperature is controlled by means of outside ambient air sensors controlling the mixed flow temperature through a pre-set selected curve which is set on the regulating control. This curve, at an outside ambient air temperature of 0°C gives a flow temperature of 20°C and at an outside ambient air temperature of -5°C gives a flow temperature of 25°C.

If required, the system can be set to an Economy Mode when the Mixed Return Sensor controls the Mixed Return Water to approximately 5°C.

FLOW AND RETURN HEADER MAINS:

The Flow and Return Header Main from the Boiler Unit to the Pitch and along the end of the Pitch would be 160 mm diameter polyethylene pipe, and 110 mm diameter polyethylene pipe. The pipe would be jointed by hot welding method and have 25 mm spigot take-offs welded at 600 mm centres to feed the heating loops.

HEATING LOOPS:

The Heating Loops 25 mm x 2.3 mm low density cross linked polyethylene pipe. The polyethylene is cross linked by the Sioplas method which has been granted a world wide patent. The cross linked polyethylene pipe has a much better long term stability at elevated temperatures than ordinary polyethylene pipe. The pipe can be used at temperatures up to +60°C, and under accelerated tests has been proved to have a life expectancy in excess of 50 years.

YORK CITY

CUP GLORY UPSETS YORK'S LEAGUE HOPES

by Tony Pullein

Though York City enjoyed a remarkable run to the fifth round of the F.A. Cup, that Cup glory seemed to affect adversely their chances of success in the Third Division.

At the end of November, York were level second in the table and promotion looked a real possibility. Since then they had won only once in 10 League games prior to last weekend and now their promotion dreams may have to be shelved for another season.

But I don't suppose York fans will hold that against manager Denis Smith for his team provided them with some great Cup entertainment. They had a bit of a scare in the first round, though, when they were held at home to 0-0 by non-League Morecambe. They won the replay 2-0 and then had another home tie against non-League opposition.

York coasted to a fairly comfortable 3-1 win over Whitby Town, only to come out of the hat against yet another non-League side, this time Wycombe Wanderers. They won that 2-0 and then, by an incredible coincidence, York were drawn at home to Altrincham Town.

Altrincham, of course, are no ordinary non-League side. They had previously knocked York out of the F.A. Cup and were fresh from their 1-0 away win over First Division Birmingham City. York stood their ground to win 2-0 and then qualified for a home tie against Liverpool for the second season in succession.

In last season's fifth round, York came from behind to draw 1-1 at home only to crash 0-7 in the Anfield replay.

This season York took a 50th minute lead through Gary Ford and, on an icy pitch, seemed to have the measure of the Reds. But they conceded a disputed penalty four minutes later and Jan Molby stroked it home to earn Liverpool a replay.

York put up a far superior show on

this trip to Anfield. Though they went behind to a John Wark goal in the 19th minute, York hit back to equalise through Tony Canham shortly before half-time. The score remained 1-1 after 90 minutes and it was only in extra-time that Liverpool managed to take command. Goals from Molby and Kenny Dalglish finished York off.

In the Third Division they have achieved away victories at Blackpool (2-0), Gillingham (2-1), Bristol Rovers (1-0) and Lincoln (4-3). They drew at Newport (1-1), Plymouth (2-2) and Bristol City (2-2).

They were beaten at Bury (2-4), Wolves (2-3), Notts County (1-3), Chesterfield (0-1), Derby (1-2), Swansea (0-1), Walsall (1-3), Cardiff (1-2) and Bournemouth (0-2).

In the Milk Cup York defeated Lincoln City 4-2 on aggregate — winning both legs 2-1 — but, after drawing 1-1 at Grimsby in round two, they lost their home leg 2-3.

The York club was formed in 1922 and gained admission to the Third Division (North) seven years later. Three years after that they abandoned their old home at Fulfordgate to take over their present headquarters at Bootham Crescent.

They remained in the Old Northern Section until becoming one of the founder members of the Fourth Division in 1958. Though they won immediate promotion, they suffered an equally rapid return to the lower section and it was 1965 before they returned to Division Three.

They were relegated again at the first time of asking but, when they rose up again in 1971, they met with more success. In 1974 they stepped into the Second Division for the first time in their history. They remained for two seasons but, by 1977, they were back in Division Four.

Worse followed as they were forced

to apply for re-election in 1978 and 1981.

In 1984 they won the Fourth Division Championship and this season they looked poised for further promotion before all that Cup excitement came along.

Cup success is nothing new to York, of course. In 1955 they reached the semi-final of the F.A. Cup as a Third Division club and held Newcastle to 1-1 before losing the replay 0-2.

ANDREW LEANING (Goalkeeper). Andrew has taken over in the York goal this season, making his League debut at Newport in November. He was signed from a local amateur club, Rowntree Mackintosh.

STEVE SENIOR (Defender). Steve was still an apprentice when he got his chance in York's League eleven in 1980/81. He later won a regular place but, when he dropped out last season, he joined Darlington on loan.

DAVID McAUGHTRIE (Defender). David started his career with Stoke City and made his League debut against Nottingham Forest in August 1980. He played just over 40 times in the Potter's First Division side before moving on to Carlisle in 1984. York signed him last summer.

JOHN MacPHAIL (Defender). John established himself as a central defender with Dundee in the Scottish League and Sheffield United paid £30,000 to sign him in 1979. He helped the Blades rise back to Third Division level and made more than 150 League appearances before leaving for York shortly before the transfer deadline in 1983.

DEREK HOOD (Defender). Derek served his apprenticeship with W.B.A. but it wasn't until after he had moved on to Hull that he got his chance in League soccer in 1977/78. Derek played only occasionally in the Tigers' first-

Middle Row: Dennis Smith (Manager), Alan Hay, Keith Houchen, Andy Leaning, Mike Astbury, Neil Smallwood, David McAughtrie, Keith Walwyn, Viv Busby (Coach).

team, though, but established himself in League soccer after joining York in 1980.

ALAN HAY (Defender). Alan was once a non-contract player at Burnden Park, coming here after service with Dundee. He moved on to Bristol City and made his League debut for them in 1979/80, soon winning a regular place. York signed him in 1982 and he now looks back on some 150 senior games for the club.

GARY FORD (Midfield). Gary has been holding a first-team place since making his debut in 1978 and he recently celebrated his 300th League appearance for the club. Gary scored the goal that earned York a 1-1 draw with Liverpool in the fifth round of the F.A. Cup.

SIMON MILLS (Midfield). Simon earned England youth honours in his early days with Sheffield Wednesday. But he got only five outings in the Owls' League eleven. Since joining York last summer, he has been holding a place in the first-team.

SEAN HASLEGRAVE (Midfield). Sean spent his early days with Stoke City and completed well over 100 senior games

for the Potters before his £40,000 transfer to Nottingham Forest in 1976. He didn't enjoy the best of luck at the City Ground, though, and his career resumed in earnest after signing for Preston a year later. Crewe signed him in 1981 and he joined York two years later.

KEITH HOUCHEN (Midfield). Keith switched to a midfield role this season after earning a reputation as a consistent goalscorer. He made his first League appearance for Hartlepool in 1977/78 and for the next four seasons he was their leading scorer. Orient signed him for £25,000 in 1982 and he spent just over two years at Brisbane Road before moving on to York. Keith scored 17 goals last season, one of them knocking Arsenal out of the F.A. Cup.

DALE BANTON (Forward). Dale was signed from Aldershot early last season and scored 12 times for his new club. He had netted nine times this season prior to the weekend. He developed with West Ham but got only rare outings in the Hammer's League eleven. After joining Aldershot in 1982 he met with instant success, topping the Shots'

scoring list with 33 in his first season. He scored 22 times the following term.

KEITH WALWYN (Forward). Keith is another proven goalscorer and he led the York list with 22 before the weekend. Once with Chesterfield, he scored twice in only three games during his debut season of 1980/81. Surprisingly, Chesterfield then released him. York moved in quickly and he has on two previous occasion finished top scorer. He has now scored well over 100 goals for the club.

TONY CANHAM (Forward). Tony was spotted playing for Harrogate Railway Institute and given a few outings in York's senior team last season. This season he has been holding a regular place and one of the highlights of the season was his goal that took York into extra-time against Liverpool at Anfield in the fifth round F.A. Cup replay. Tony also scored a hat-trick against Darlington earlier in the season.

MARCO GAGGIADINI (Forward). Marco joined York as a schoolboy and he made his League debut against Plymouth on the opening day of the season. He has since re-appeared several times as substitute.

CLUB NEWS

In Retrospect

We welcome York City to Burnden Park tonight for the 12th football league game with the Wanderers. To date the Wanderers have the advantage with 6 victories to City's 3.

The first league game between the two sides took place in September 1971 at Burnden, with York being the first team to defeat the Wanderers in a third division fixture. A second half goal from Laurie Calloway was enough to earn the visitors both points and send Bolton to their first defeat of the season in their 10th game.

Bolton completed the double over City on their way to promotion in 1972/73 with a Stuart Lee goal being enough to win the game at Bootham Crescent. The Wanderers won 3-0 at Burnden to clinch the third division championship thanks to a couple of goals from Stuart Lee and one from Peter Nicholson.

Our paths next crossed at second division level when, in October 1974, the Wanderers again won at York. City took the lead just before half time when Ian Holmes converted a penalty awarded for handball by Paul Jones. The Wanderers hit back in the second half with Stuart Lee equalising before Hugh Curran put them in front with the blasting shot. Sam Allardyce made it 3-1 in the 67th minute after coming on as substitute for Tony Dunne.

After going two months without scoring at Burnden the Wanderers eventually found the net when York visited in April 1975. Paul Jones was the scorer from the penalty spot but York hit back to equalise through Jimmy Seal.

Season 1975/76 saw both sides win on their travels with a 2-1 scoreline resulting in each game. At York it was a case of keeping up with the Jones's as Chris Jones put York in front before Paul and Garry found the net to earn Bolton the points.

York surprisingly turned the tables at Burnden as they were already doomed to relegation whilst the Wanderers were challenging for promotion in third place. Heavy rain had turned the pitch into a quagmire and York adapted better to the conditions taking the lead after 65 minutes through Jimmy Hinch. Micky Cave increased their lead in the 85th minute before Peter Nicholson pulled one back for the Wanderers two minutes from time but it was too late to avoid defeat.

Last season the Wanderers completed the double. In November 1984 they won 2-1 at Burnden to register their seventh home victory

on the trot. Although without two leading scorers Tony Caldwell and Jeff Chandler due to injury, the Wanderers still managed to find the net. Simon Rudge playing only his second game of the season, fired Bolton in front after 37 minutes. Bolton went two up in the 49th minute when George Oghani netted his 14th goal of the season from the penalty spot awarded after John McPhail had brought down Wayne Foster. York came back into the game when Derek Hood headed home a near post corner after 67 minutes but the Wanderers held on to take the points.

Last March the Wanderers won 3-0 at Bootham Crescent to register their first win in 10 games and start a spirited run that eventually pulled the club away from the relegation zone. The first goal came on the stroke of half time when keeper Roger Jones fumbled a Wayne Foster shot in the back of his own net. Jimmy Phillips scored his first league goal in the 52nd minute with a spectacular half volley and Wayne Foster completed the rout five minutes later after he had been put clear by Jeff Chandler.

Earlier this season the Wanderers crashed to their first ever league defeat at Bootham Crescent going down 3-0. Keith Houchen got two goals and Dale Banton scored the third but it could have been more as John McPhail missed a late minute penalty. Our league record against York is as follows:-

	PL	W	D	L	F	A
Home	5	2	1	2	7	5
Away	6	4	1	1	9	5
Total	11	6	2	3	16	10

The Wanderers reserves dominated the game for long periods on a difficult playing surface before grabbing the winner four minutes from time.

The first half saw the Wanderers unable to create any clear cut chances with their only efforts coming from long range by Paul Allen and George Shepherd.

The second half proved much more advantageous from the Wanderers point of view with Simon Farnworth a virtual spectator. Paul Allen had a goal disallowed in the 57th minute, the referee ruling that Dean Roberts had strayed offside, despite the fact that a Vale defender was stood on the goalline.

Both Paul Allen and Roger Walker went close before they grabbed the winner in

Down memory lane

15 years ago: 1st March 1971. The Wanderers entertained Danish first division side Randers Freja for a friendly game. A crowd of 943 weathered a snowstorm to see Bolton win 2-1. The Danes took the lead after 4 minutes when Heigaard shot a low free kick into the net, but two minutes later Bolton were level when Roy Greaves beat spectacled keeper, Bonde from close in.

John Byrom's left foot shot, after 31 minutes, proved to be decisive for Bolton who turned out that evening in all red strip.

3rd March 1971. Wanderers centre forward Paul Fletcher goes to Burnley in a £60,000 deal.

6th March 1971. Bolton visited Bristol City for a relegation battle with both clubs sharing the 21st position in the second division on 19 points. After the game nothing changed with a 1-1 draw resulting.

The Wanderers took the lead, with their first league goal for a month, after 17 minutes. Alan Waldron's shot beating the despairing dive of City keeper Mike Gibson to register his first league goal. Five minutes from half time City equalised with a spectacular overhead kick from Chris Garland. Bolton were put under further pressure in the 75th minute when Warwick Rimmer was sent off for a challenge on Garland, but they held on for a well deserved point.

10 years ago: 28th February 1976. After the previous weeks FA Cup exploits, Bolton returned to their promotion push in the second division when Hull City visited Burnden.

A goal after only 12 minutes from Peter Thompson, his first for the club, was enough to earn the points and put the Wanderers on top of the league with a goal average advantage of 0.0086 over Bristol City.

Although the Wanderers took the points they found themselves defending desperately for the final 10 minutes.

2nd March 1976. Bolton slid to their second home defeat of the season at the hands of relegation haunted Oxford United. They also lost the leadership of the division by five hundredths of a goal to Bristol City who were not even playing.

The only goal came 12 minutes from the end when a Roger Gibbins cross bounced awkwardly in front of goal, Max Briggs shot and the ball struck Peter Reid before bouncing tantalisingly past Barry Siddall, who had been a spectator for most of the game.

5 years ago: 28th February 1981. Bolton crashed 3-0 at Swansea City with international winger Leighton James grabbing a hat trick. His first two goals came from the penalty spot but his third in the 68th minute was a spectacular long range shot that left Terry Poole well beaten.

Wanderers boss Stan Anderson was running the rule over another Yugoslavian International. Zoran Jelkic, a former team mate of Dusan Nickolic at Red Star Belgrade, came to Bolton for a weeks training.

Full back Roy Heaney left the club after 4 years to change sport by joining Wigan Rugby League Football club. Roy, who signed for the Wanderers after being on Liverpool's books, didn't get into the league side although he was a regular with the central league side.

the 86th minute. From a Mike Whitlow corner, Mark Winstanley saw his effort blocked and Roger Walker was on hand to slip the ball beneath the advancing Vale keeper Chris Pearce.

Each side had good chances in the dying minutes with Ian Mullineux seeing his shot blocked by Pearce after breaking clear and Vale forward Harper dwelled on the ball too long allowing the Wanderers defence to clear.
